FLOOR DEBATE

March 27, 2002      LB 957, 1054, 1062A, 1206  
                     LR 348

that's what the rule provides for us to do, that'd be next Wednesday. So, probably Wednesday and Thursday might be evenings; if I were planning, I'd set those aside. We'll have a four-day weekend, obviously, and I'll try to, on Thursday before you go home, give you a list of what we'll have on Select File. We'll still try to do some General File. Tomorrow we're going to try to go back and pick up some things on General File. But as we move through, Select File will start to become our focus and I'll try to put a full list of that together. With that, I move that we adjourn until tomorrow morning at 9:00 a.m.

SENATOR CUDABACK: If I may, Senator, to allow the Speaker...or the Mr. Clerk to read some items?

SPEAKER KRISTENSEN: I'm sorry. Sure.

SENATOR CUDABACK: Mr. Clerk.

CLERK: Mr. President, Senator Erdman, an amendment to LB 1206; Senator Schimek, LB 1054; Senator Beutler to LB 957. New A bill, LB 1062A by Senator Jensen (Read by title for first time.) And LR 348 by Senator Aguilar; that's a regular resolution, Mr. President, it'll be laid over. That's all that I have. (Legislative Journal pages 1222-1231.)

SENATOR CUDABACK: Thank you, Mr. Clerk. Senator Kristensen's motion is to adjourn until March 29th, Thursday morning at nine o'clock. All in favor of that motion say aye...28th, I'm sorry. The 28th, lapse of memory, 28th. All in favor of that motion say aye. Opposed nay. We are adjourned until March 28th.
